PROFESSIONAL SUMMARY Quality Control Engineer with 5 years of experience in industrial equipment and auto components manufacturing. Expertise in supplier quality, incoming inspection, FMEA, 8D, and ISO 9001 internal auditing. Strong track record of supplier development and reducing incoming rejection rates. Seeking a senior-level quality role.

SKILLS

- Supplier Quality Management
- Incoming Quality Control (IQC)
- Failure Mode and Effects Analysis (FMEA)
- 8D Problem Solving
- CAPA
- Control Plans
- SPC – Basic Implementation
- ISO 9001:2015 Internal Auditor
- Supplier Audits (Process, System)
- Gauge Calibration Management
- AQL Sampling Plans (MIL-STD-1916)
- SAP MM / QM (Intermediate)
- MS Excel – Advanced
- Minitab – Intermediate

WORK EXPERIENCE Quality Control Engineer – Supplier Quality LMW (Lakshmi Machine Works Ltd), Coimbatore 06/2019 – Present (5 years)

- Manage incoming quality of 120+ components sourced from 40+ suppliers
- Conduct supplier development audits; scored and ranked vendors on quality performance matrix
- Write and close 8D reports for supplier-generated defects; average closure rate 93% on time
- Prepare and maintain FMEA and Control Plans for incoming and in-process stages
- Manage calibration schedule for 150+ measurement instruments in quality lab
- Implemented AQL sampling plan for fastener and rubber component inspection; reduced 100% inspection items by 40%
- Represent quality team during customer visits and third-party inspections (BV, TUV)
- Conducted 6 ISO 9001 internal audits as lead internal auditor; zero major NCs raised during last external audit

EDUCATION

Diploma – Mechanical Engineering Government Polytechnic College, Coimbatore DOTE Tamil Nadu | Graduated: 04/2014

B.E – Mechanical Engineering (Lateral Entry) Karpagam College of Engineering, Coimbatore Anna University | Graduated: 05/2016 CGPA: 6.5 / 10

CERTIFICATIONS

- ISO 9001:2015 Internal Auditor – DNV GL (08/2020)
- Certified in AQL Sampling Methods – In-house (LMW, 2021)

ACHIEVEMENTS

- Reduced incoming rejection rate from 3.8% to 1.1% over 3 years
- Developed supplier scorecard system adopted across 3 plants
- Zero customer complaints attributed to incoming quality failure in FY 2022-23
